With reference to your letter No. G.C.296-8, dated 2nd July 1928, I have the honour to state that the question of opening a local fund dispensary at Naikanhatti village in the Chellakere Taluk again came up Before the meeting of the District Board held on 2nd July 1928. A copy of the resolution of the Board is enclosed.

The Municipal Council of Naikahatti have also agreed to bear their quota viz., one-third of the recurring charges. The people of the place are very anxious to have the dispensary opened as early as possible. They have already secured three rented buildings for being used for residential ~~quarters~~ purposes by the staff.

In these circumstances, I request you to kindly move Govt. to accord their sanction to the resolution of the Board at an earl date.

With reference to your No.G.C.296-11, dated 28th July 1928, I have the honour to state that I have seen Nayakanhatti T.B. when I last visited Nayakanhatti on 31st March 1928.IT has got the same accommodation as the Travellers' Bungalow at Baramasagara. Houses are available near the Travellers' Bungalow for quarters for the Sub Assistant Surgeon, Midwife and Compounder. Pending the construction of a new dispensary in that village, which has got to be done at a very early date, as the place is very badly malarial, the new dispensary to be opened at Nayakanhatti, may be temporarily located in a portion of the Travellers' Bungalow building, which is enough to the village.
